hereinafter referred to as the Landlord, and

hereinafter referred to as the Tenant

Witnesseth: That the Landlord hereby leases to the Tenant and the Tenant hereby hires from the Landlord, the apartment known as Apartment B 2, on the 3rd floor in the building known as 418 East 91st St. in the Borough of Manhattan City of New York for the term of One year commencing the 1st day of December 19 49 and ending the 31st day of December 19 50, unless sooner terminated as hereinafter provided, at the annual rent of \$ 1,200 payable in equal monthly instalments in advance on the 1st day of each month during said term.

The parties hereto, for themselves, their heirs, executors, administrators, legal representatives, successors and assigns, hereby covenant as follows:

FIRST. The Tenant shall pay the rent as stipulated above.

SECOND. The demised premises shall be used and occupied by the Tenant and the members of the immediate family of the Tenant only, as a strictly private dwelling apartment and for no other purpose.

THIRD. The Tenant and the Tenant's heirs, executors, administrators, legal representatives, successors and assigns, shall not assign, mortgage, pledge or encumber this lease, nor sublet, or use or permit others to use the apartment or any part thereof without first obtaining the prior written consent of the Landlord in each case. Such consent may be granted upon such terms or conditions as the Landlord may impose and shall in no way operate to waive this covenant as to subsequent assignees or to dispense with the necessity for specific prior consent to each and any assignment.

FOURTH. This lease is and shall be subject and subordinate to the lien of any mortgage or mortgages which may now or hereafter affect the real property of which the demised premises are a part and to all renewals and extensions thereof. The Tenant shall on demand execute any instrument the Landlord may request in confirmation of such subordination and the Landlord is hereby authorized as the attorney in fact of the Tenant to execute any such instrument for and on behalf of the Tenant.

FIFTH. If the building or any part thereof shall be condemned for any public use or purpose, this lease shall terminate from the date when the possession of the part so taken shall be required for such purpose, and the Tenant shall not be entitled to any part of the award; however, the rent shall be apportioned accordingly.

SIXTH. The Tenant shall take good care of the apartment and fixtures therein and shall at the Tenant's own cost and expense make, when needed, all repairs and decorations therein and thereto, whenever damage or injury to the same shall have resulted from misuse or neglect by the Tenant, Tenant's family, servants, employees, agents, visitors or licensees. The Tenant shall not drill into, drive nails, or deface in any manner any part of the building or permit the same to be done. All alterations or improvements made by the Tenant shall be made only with the prior written consent of the Landlord and at the sole expense of the Tenant and shall become the property of the Landlord and be surrendered with the apartment at the end of the term.

SEVENTH. The Tenant has read the Rules and Regulations hereto sub-joined and made a part hereof, and hereby agrees to abide by and conform to the same and to such further reasonable Rules and Regulations as the Landlord may from time to time make or adopt for the care, protection and government of the building, and the general comfort and welfare of its occupants. The Landlord shall not be liable to the Tenant for the violation of any of said Rules and Regulations, or the breach of any covenants in any lease by any other tenant in the building.

EIGHTH. The Tenant shall promptly comply with any and all laws, ordinances, orders and regulations of any and all municipal, county, state and federal authorities, boards, commissions and other governmental agencies with respect to the demised premises or the use or occupation thereof; and shall not do or permit to be done, any act or thing upon said premises which might subject the Landlord to any liability or responsibility for injury to any person or persons or to any property by reason of any business or operation being conducted on said premises.

NINTH. The Tenant shall comply with all rules, regulations, orders or requirements of the New York Board of Fire Underwriters or any other similar body and shall not do or permit anything to be done in or upon the demised premises which shall increase the rate of fire insurance on the building of which the said premises form a part or on the property located therein. If by reason of the use of the premises by the Tenant the rates of insurance against loss by fire are increased, the Tenant agrees to pay as additional rent any excess premiums caused thereby, such additional rent to become due immediately upon effecting the insurance by the Landlord and payable with the next succeeding instalment of rent.

TENTH. If the building shall be damaged by fire or other cause without the fault or neglect of the Tenant, Tenant's family, servants, employees, agents, visitors or licensees, the damages shall be repaired as soon as reasonably convenient by and at the expense of the Landlord, and no claim for compensation shall be made by reason of inconvenience or annoyance arising from the necessity of repairing any portion of the building. But if the building be so damaged that the Landlord shall decide not to rebuild the same, or if the building be so damaged that the Landlord shall decide to demolish or rebuild it, then or in any of such events the Landlord may at the Landlord's option, give the Tenant a notice in writing of such decision, and the terms of this lease shall expire upon the third day after such notice is given and the Tenant shall vacate and surrender the apartment to the Landlord.

ELEVENTH. The Landlord shall not be liable for any injury or damage to persons or property caused by or resulting from steam, electricity, gas, water, rain, ice or snow, falling plaster, or any latent defect in the building, or from any injury or damage resulting or arising from any other cause or happening whatsoever, unless such injury or damage be caused by or be due to the negligence of the Landlord or the Landlord's agents, servants or employees; nor shall the Landlord or Landlord's agents be liable for any such damage caused by other tenants or persons in said building. The Landlord shall not be liable for loss of property by theft or otherwise. Should any windows of the demised premises become closed or darkened for any reason, the Landlord shall not be liable for any damage that the Tenant may sustain thereby, and the Tenant shall not be entitled to any compensation or abatement of rent or release from any of the obligations of this lease caused by such closing or darkening. The presence of bugs, vermin or insects, if any, shall not constitute a constructive eviction. If the Landlord shall furnish for the use of the Tenant any storeroom, laundry or any other facility in the building the same shall be furnished gratuitously and the Landlord shall not be liable for any injury to person or loss or damage to property occasioned during the use of same, whether due to the negligence of the Landlord or otherwise. The Tenant shall indemnify and save harmless the Landlord for and against any liability, or any injury to persons or property, resulting from the following acts or omissions on the part of the Tenant, the Tenant's family, employees, agents, visitors, or licensees during the term hereof: any negligence or improper conduct; any violation or non-performance of any covenant of this lease or the Rules and Regulations herein; the wrongful use of the demised premises. The Tenant shall give to the Landlord prompt notice in case of fire or accidents to or defects in, any part of the building or equipment and fixtures therein.

TWELFTH. The Landlord will furnish to the Tenant without additional charge, to the extent that the building is adapted, the following services, provided the Tenant is not in default under any of the provisions of this lease: elevator service; heat at reasonable hours during the cold season of the year; hot and cold water at all times. The interruption, curtailment, or cessation of any of such services shall not be deemed a constructive eviction, nor, unless caused by gross negligence of the Landlord, entitle the Tenant to any abatement or diminution of rent.

THIRTEENTH. If a telephone switchboard and a connection to the apartment is maintained by the Landlord, the Tenant may use such service at the same rates charged to the other tenants in the building. If electric current or gas be supplied by the Landlord, the Tenant shall purchase same at rates charged by any public service companies serving the section or locality.
